Summary of 2009 Updates to the Statewide Communications Interoperability Plan (SCIP)

September 15, 2009
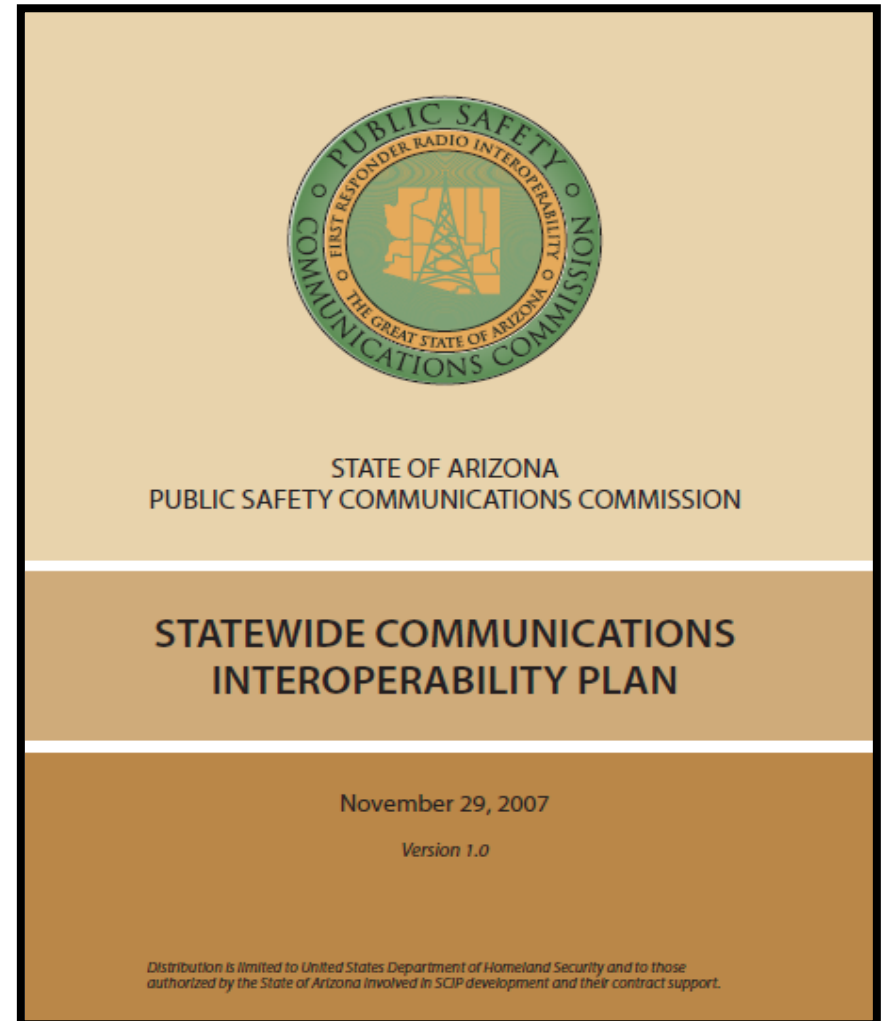

★ Primary update goals

★ Current update status

★ Next steps

Public Safety Interoperable Communications

★ Drafted to meet a grant requirement in 2007

★ Submitted to the Dept. of Homeland Security (DHS) Office of Emergency Communications (OEC) in November 2007 and approved
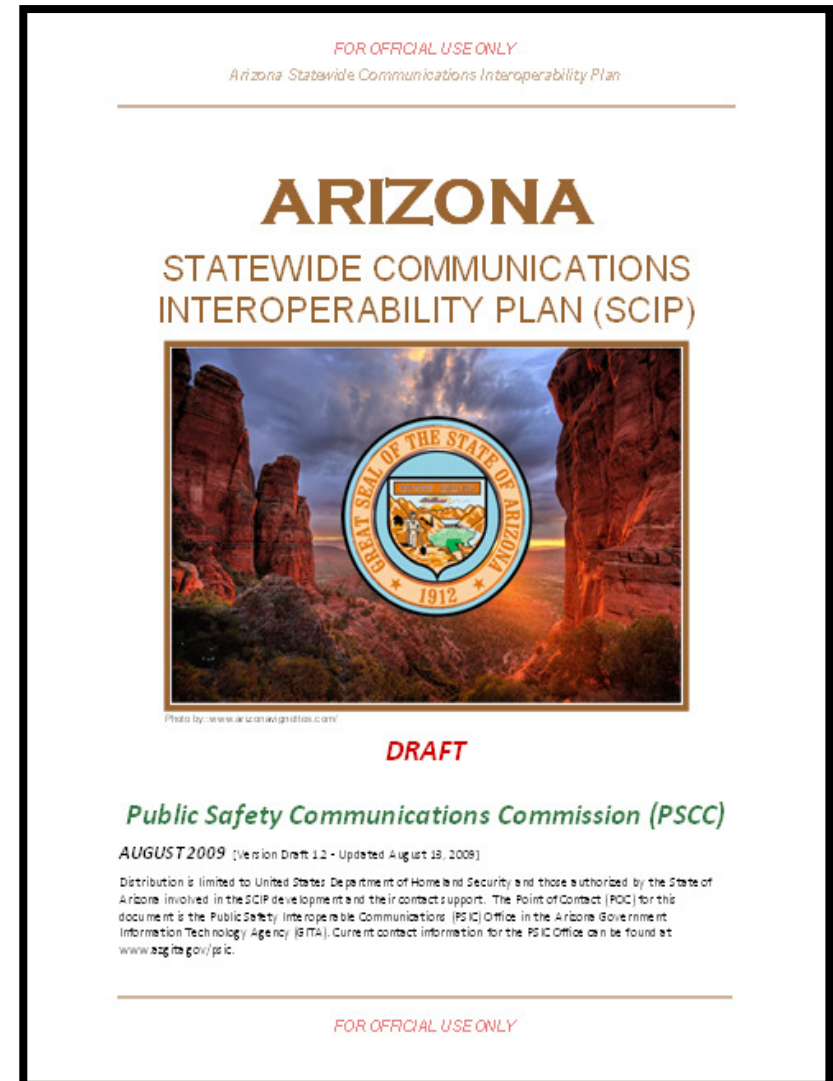

★ Submitted two SCIP Implementation Reports to DHS in 2009

STATE OF ARIZONA
PUBLIC SAFETY COMMUNICATIONS COMMISSION

STATEWIDE COMMUNICATIONS INTEROPERABILITY PLAN

November 29, 2007

Version 1.0

Distribution is limited to United States Department of Homeland Security and to those authorized by the State of Arizona involved in SCIP development and their contract support.

★ 2008 review identified the need to update the SCIP to reflect changes in the Arizona communications landscape since 2007 to address:

   ★ Updated strategic initiatives

   ★ In-progress project accomplishments

   ★ PSCC move from DPS to GITA

   ★ Formation of the PSIC Office

   ★ Updates to the PSCC and SIEC membership

   ★ Improvements in data on current status of communications

   ★ Need to incorporate updated information from stakeholder groups

Revision Goals

★ Enhance readability, accuracy, and applicability of document's content by

- ★ Updating/streamlining language

- ★ Removing or relocating (to appendices) outdated, inaccurate, or extraneous content

- ★ Condensing related document sections together to minimize unnecessary redundancy

★ Maintain conformance to the original OEC SCIP Criteria (2007)

★ Update strategic plan initiatives as approved May 19, 2009

★ Facilitate future initiative progress and grant applications through alignment with the National Emergency Communications Plan (NECP)

Revised Document Sections

★ Introduction

★ Background

    ★ State Overview

    ★ Regions/Jurisdictions

★ Methodology

    ★ SCIP Development Process

    ★ Participating Agencies and Points of Contact

★ Current Statewide Assessment

    ★ Governance, SOPs, Technology, Training, & Usage

★ Strategy

    ★ Overall statewide problem statement, vision, mission, goals, objectives, timeframes, and scope

    ★ Strategic Initiatives

★ Close

★ Appendices

Public Safety Interoperable Communications

★ Moved all SCIP content into a new "clean" template to improve functionality and maintainability going forward

★ Completed large scale "scrub" of the SCIP

  ★ Clarified text, making document more concise

  ★ Re-organized material into a more logical progression

  ★ Removed superfluous material unrelated to communications

  ★ Eliminated redundancies

  ★ Updated all referencing, especially where materials are readily available via the GITA or other Arizona websites

★ Updated content to reflect statewide progress and changes since 2007

★ Have identified outstanding action items to address prior to completing the revised SCIP

Public Safety Interoperable Communications

★ Preliminary Draft 2009 SCIP submitted to PSIC for initial review and comment - August 15, 2009

★ Interviews with key State and local personnel & additional data gathering – September, 2009

★ Draft SCIP for PSCC and public review and comment:

Draft distributed	Comments due
October 5th	October 16th
November 3rd	November 13th

★ Discussion of updated SCIP (and possible approval) - November 17, 2009
